PROFESSIONAL SUMMARY

Detail-oriented CA Intermediate professional with 5 years of progressive experience in Accounting, Auditing, Taxation, Internal Control and regulatory compliance across diverse industries including Pharmaceuticals, FMCG, and Service sectors. Demonstrated expertise in statutory audits, GST compliance, and corporate governance. Adept at managing complex financial processes while ensuring accuracy and adherence to accounting standards. Seeking opportunities to leverage my taxation and audit expertise in a global organization.

PROFESSIONAL EXPERIENCE

Senior Associate | Anjali Jain and Associates (Chartered Accountants)

Delhi, India | July 2023 – Present

- Managed end-to-end statutory audits for 15+ corporate clients across diverse sectors including Tours and Travels, Transportation, E-commerce traders/sellers (Amazon, Flipkart), Restaurants (local & E-commerce), and other local businesses.
- Conducted Tax Audits & ITRs for individuals, Trusts, Companies, Firms, Statutory audits of Companies & LLPs, Bank Audits and other certifications, reducing compliance issues through implementation of standardized audit procedures.
- Executed GST and Income Tax filings with accuracy, successfully representing clients in departmental interactions
- Prepared comprehensive financial statements for clients across diverse industries, adhering to Schedule III requirements of the Companies Act, ensuring compliance with statutory disclosure norms and accounting standards
- Developed and implemented a streamlined process for books finalization, reducing processing time by more than 25%.
- Helped develop internal control systems for more than 5 clients focusing on sales & expenses management and revenue recognition processes. Created comprehensive monthly and yearly compliance charts with due dates for clients, tracking GST Returns, forms, TDS/TCS filings, and Income tax E-filings.
- Performed detailed reconciliation of books with GST returns & Bank Statement, including sales and input tax credit (excess claim /understated claim) to ensure tax compliance and identify discrepancies.
- Processed intellectual property modifications for trademarks and copyrights, ensuring proper documentation and regulatory compliance

Associate | Ram S Chopra & Associates (Chartered Accountants)

Ghaziabad, India | October 2022 – July 2023

- Coordinated MCA-related filings and TDS returns for 20+ clients, ensuring timely submission and regulatory compliance
- Conducted detailed financial audits across multiple industries, identifying and resolving discrepancies to maintain financial integrity
- Managed intellectual property modifications and registrations, ensuring proper documentation and compliance with regulatory requirements

Junior Associate | Anjali Jain and Associates (Chartered Accountants)

Delhi, India | August 2020 – October 2022

- Assisted in conducting stock audits for high-profile clients including PMBI and ITC-PSPD
- Supported senior team members in statutory audits and corporate compliance filings
- Managed bookkeeping responsibilities while pursuing B.com degree.
